

# Настройки ключа (конфигурация)

The screenshot shows a web application interface with a dark sidebar on the left and a main content area on the right. The sidebar contains several menu items: 'Заказы', 'Ценообразование', 'Продвижение', 'Содержание', 'Каталог', 'Пользователи', 'Конфигурация' (highlighted with a red box), 'Отчеты', and 'Плагины'. The main content area has a breadcrumb trail: 'Конфигурация > Настройки ключа > Настройка провайдера'. Below this is a navigation bar with tabs: 'Конструкция сайта', 'Заказы', 'Доставка', 'Языки', 'Настройки ключа' (highlighted with a red box), and 'Система'. Underneath the tabs, there are two buttons: 'Настройка провайдера' and 'Поиск товаров'. The main content area is titled 'Настройка провайдера' and is divided into two sections: 'Таобао' and 'Склад'. The 'Таобао' section is titled 'Настройки Таобао' and contains a sub-section 'Выбранные типы скидок'. Under 'Добавлено:', there are three items: 'Обычные скидки', 'Специальные скидки', and 'Скидки от поиска', each with a plus icon and a close icon. Under 'Добавить:', there is a dropdown menu with 'VIP-скидки' selected and a plus button. A 'Сохранить' button is located at the bottom of this section. The 'Склад' section is titled 'Настройки Товаров на складе' and contains two rows of settings: 'Валюта' set to 'CNY (元)' and 'Язык' set to 'Chinese (中文)'. Each setting has a small circular icon next to it.
