

# Altering Product Price in Order

There might be necessary to correct product price in once placed order. It may occur for some reasons: cost may be altered on Taobao itself from the moment of placing order to payment or due to currency rates fluctuation.

You can alter product price on order information page in admin area by pressing "Change Price" button. As soon as you set the new product price you will see updates:

Photo	Product information	Qty, Amount	Status of goods	Get in work
 № 170 - 1 <a href="#">On site</a>	<p>Корейская версия Outdoors прозодежды освобождают mountaineering большой размер Войск экстренный выпуск брюк вооруженных силы страны прямые Много с карманами для отдыха Брюки мужской Брюки Original: 35198796784 Vendor: 时尚革命 Configuration: Цвет: Военный зеленый Размер: 30 [жизни для качества] 颜色: 军绿色 尺码: 30 【为品质而生】</p>	<p>Weight: 0 kg.</p> <p><b>Price:</b> <b>6.00 \$.</b></p> <p>Change price</p> <p>Qty: 1</p> <p>In total: 21\$ руб.</p>	<p>Current Status: Payed</p> <p>Change status to: Payed</p> <p>Delete good</p> <p>Save the string</p>	

Important! After altering price in admin area, the user whose order was subjected to change should confirm the new price and pay/get the rest of the amount.
