## Description

Shopping cart contains goods that customer wishes to purchase. Number of goods placed in shopping cart is shown in the top right hand corner of any page.

The screenshot shows the top navigation bar of an online shop. The shopping cart icon in the top right corner is highlighted with an orange box and contains the number '2', indicating two items in the cart. The page title is 'Online demo shop by OT Commerce'. Below the navigation bar, there is a search bar with the text 'Search among 800.000.000 goods from China'. The main content area is divided into several sections: 'Recommended goods' and 'Popular goods'. The 'Recommended goods' section features four product cards for baby clothes, each with a price tag. The 'Popular goods' section features four product cards, including baby clothes and children's wear. The left sidebar contains a list of categories and brands.

Click shopping cart to view its contents.

Quantity of goods shown at the top of any page can also be found on shopping cart page for convenience.

Additionally, information where product was taken is provided. In our example we have "Goods from China". Seller might have a few marketplaces such as "Goods from Japan", "1688.com" or "Goods from a seller's warehouse".

Clicking will select each item you click on. You may select all goods or each individually (as shown in images below).

## How to remove goods from shopping cart

Check appropriate checkboxes (or you can select them all at once by clicking checkbox beside "Select all goods") to remove goods from shopping cart.
