This subsection discusses how to set the sales price of the products on the website.

See a detailed description of how this functionality can benefit your business here <http://docs.otcommerce.com/pages/viewpage.action?pageId=22644375>

Go to: Pricing > Discounts in the administrative area of your website.

Description

The "Discount" subsection lets you offer discounts to buyers when they spend a certain amount. For example, your website customer Ivanov bought more than 20 000 roubles worth of merchandise and you would like to give him VIP purchase discount.

The "Discount" tab contains the following:

1. The "Add discount" button.
2. Discount names (Clicking on a discount name will take you to the discount users list.)
3. Discounts actions:
 - a. How to add a discount
 - b. How to edit a discount
 - c. How to delete a discount

Managing discounts

How to add a discount

To add a discount you should click on the "Add discount" button.

Next, fill out the fields on the form for adding a discount:

1. Discount name.

Total amount of orders ? 1000

Save Cancel

For the website's base currency, see "Pricing" section on the "Currency" tab.

The screenshot shows the admin interface with a sidebar on the left containing 'Orders', 'Pricing', 'Promotion', 'Contents', 'Catalog', 'Users', 'Configuration', 'Reports', and 'Plugins'. The 'Pricing' section is highlighted in the sidebar. The main content area shows the 'Currency' tab selected, with sub-tabs for 'Currency', 'Price', 'Discounts', and 'Banker'. The 'Currency' sub-tab is active, showing 'Base currency: USD'. Below this, there is a list of 'Provider currencies' including Taobao - CNY, Warehouse - CNY, Yahoo Japan - JPY, Yahoo Japan Auction - JPY, Kitmall - RUB, and 1688.com - CNY. At the bottom, there is a 'Currencies' section with 'Showcase currencies' set to USD and an 'Add currency' button next to a dropdown menu showing RUB.

Once you've filled out all the fields you should save the changes by clicking the "Save" button.

Managing the “Discount” section users

How to view users

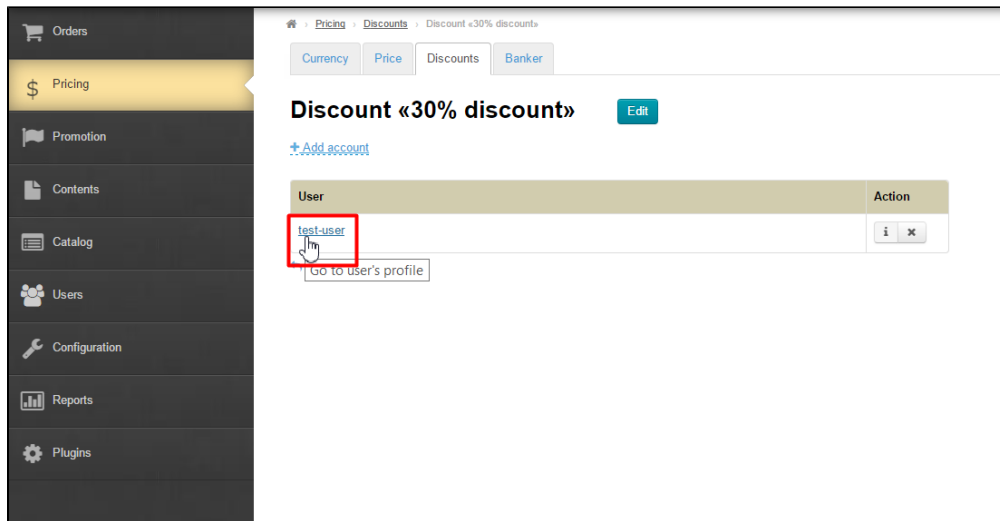

The “Discount” tab lists existing discounts. To view a single discount you need to click on a discount name.

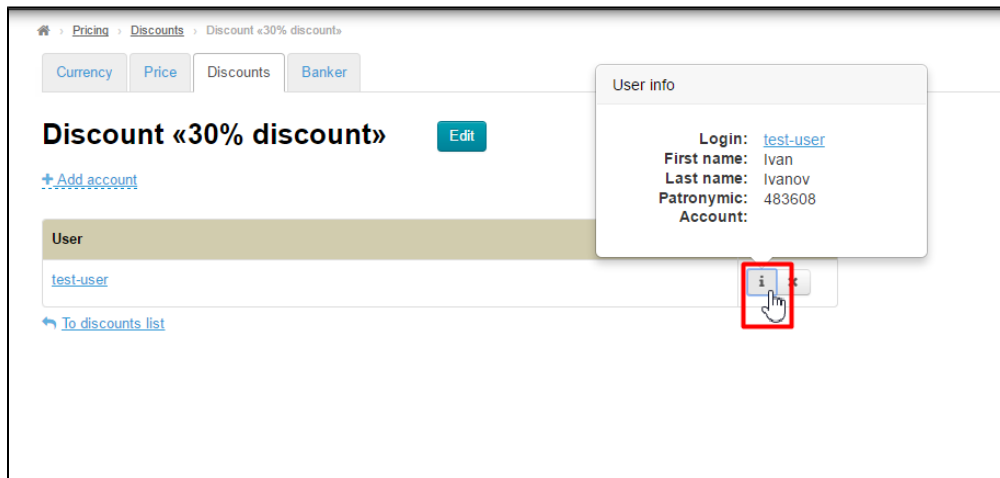

This will open a list of users the discount is actually given to.

Once you click on a username you can view complete information about a user on his/her profile in the administrative area.

To display a summary of that user you should click the information ("i") icon opposite the username.

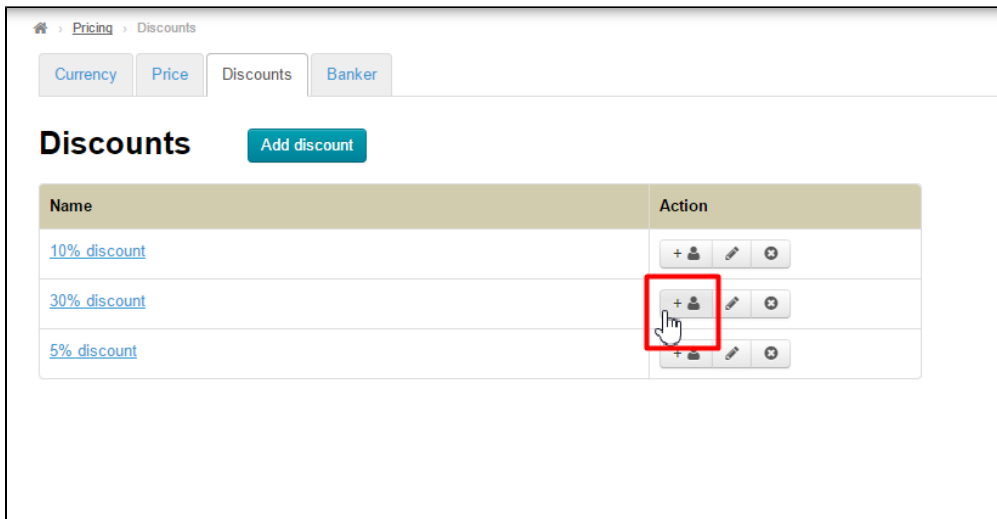

How to add a user

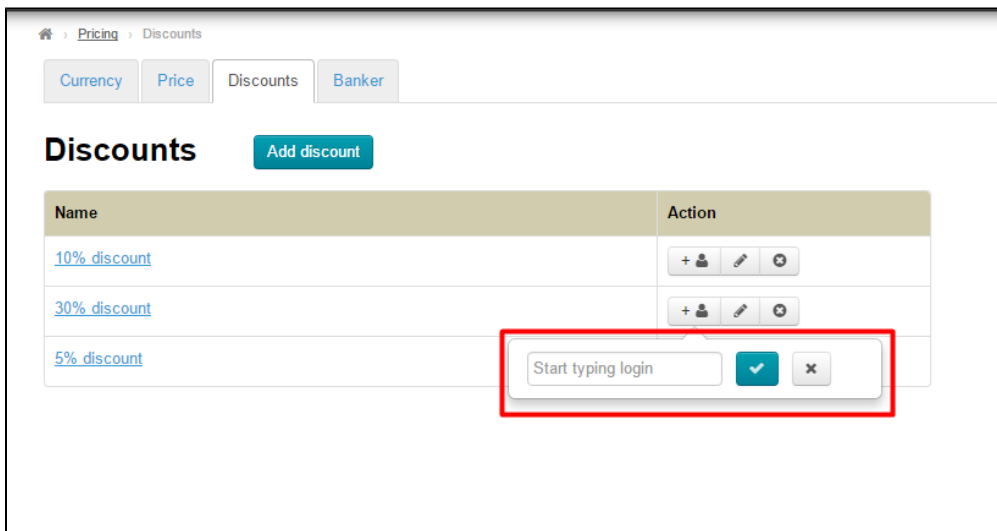

There are two methods to add a user to the list of those the discount is allowed to.

Method 1

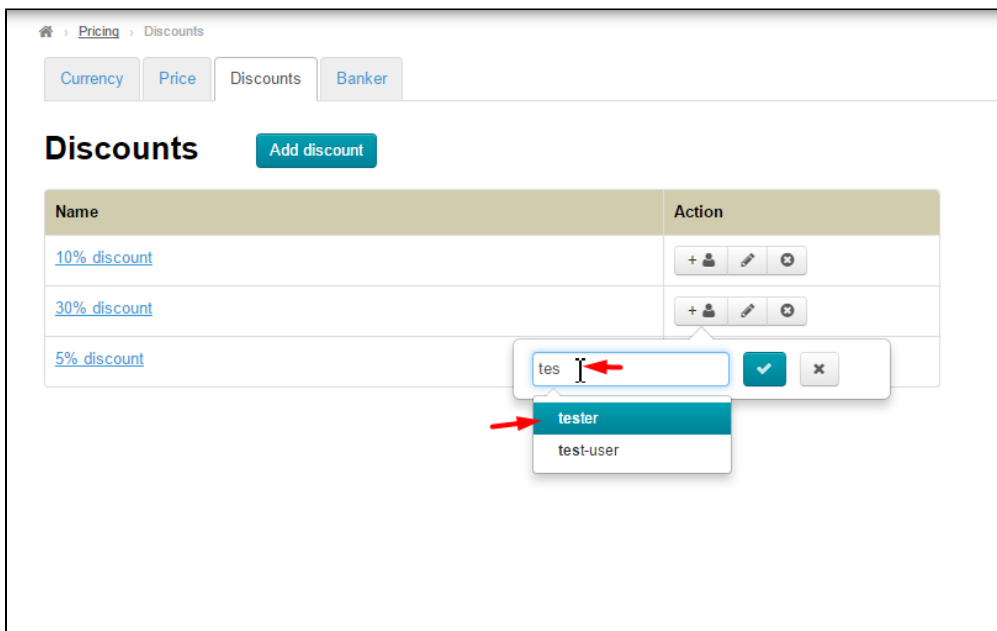

Click on the "Add user" icon while being on the "Discounts" tab.

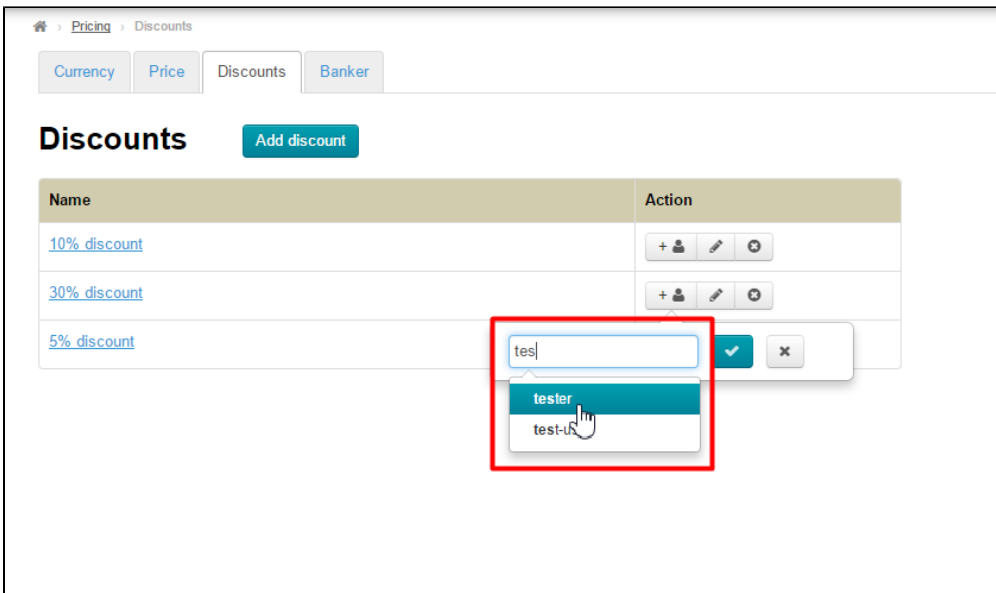

This will open a pop-up window.

Type a user login and add it to the list by clicking on the check mark button.

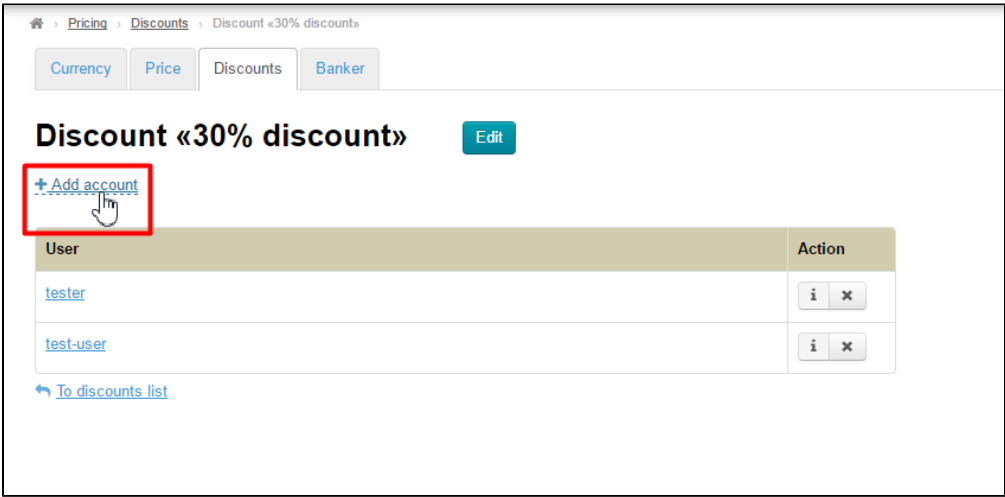

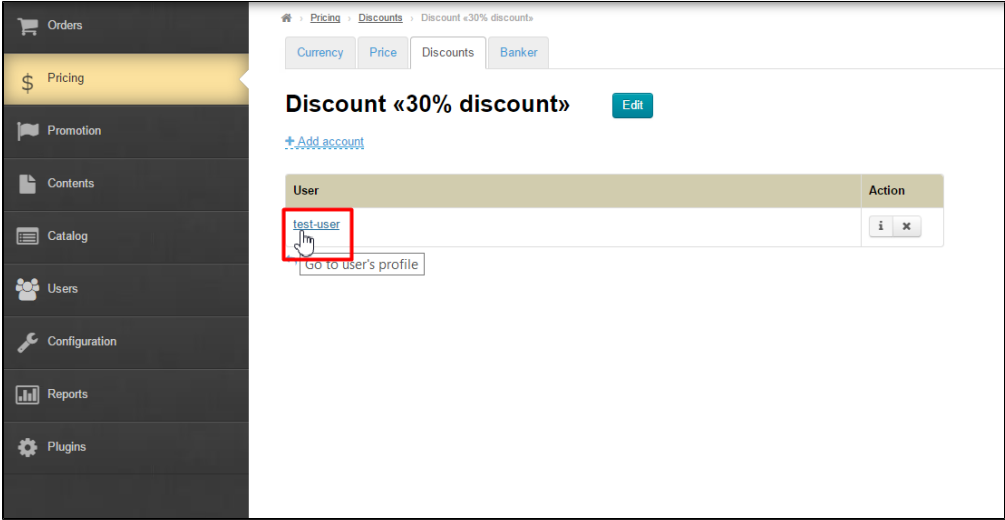

After that, the user will be added to the list of customers the discount is allowed to.

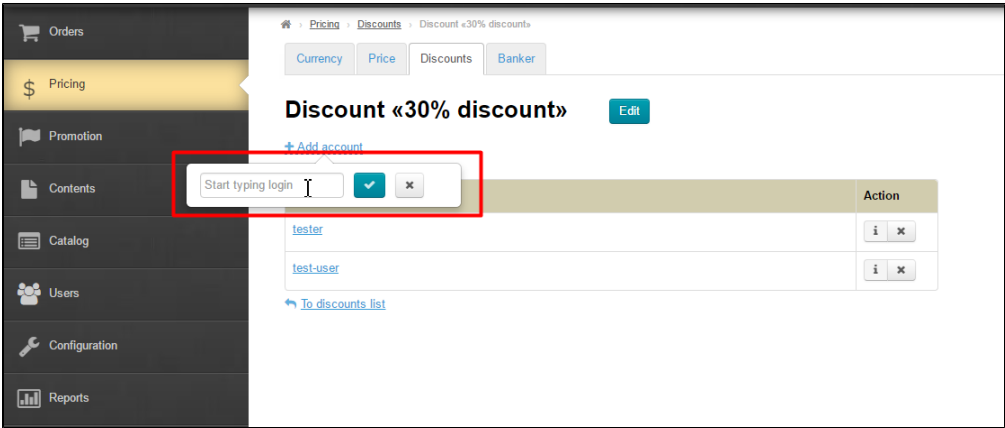

Method 2

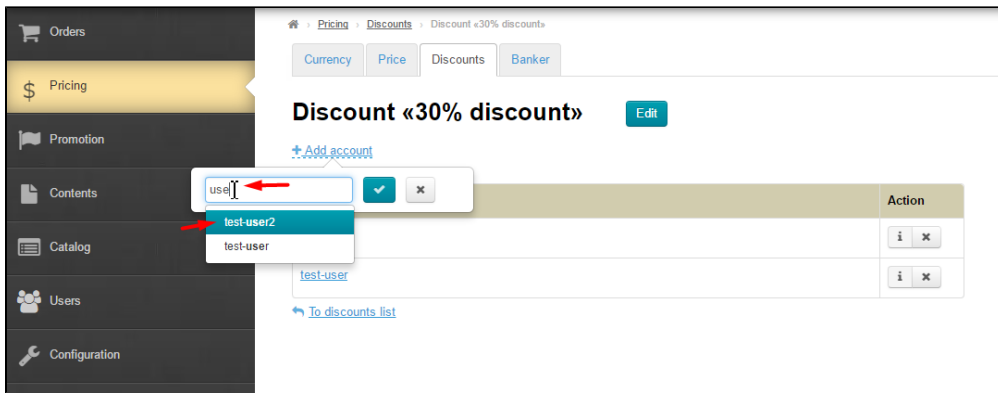

Click the “+ Add account” link while viewing a discount (after you’ve clicked on the discount name).

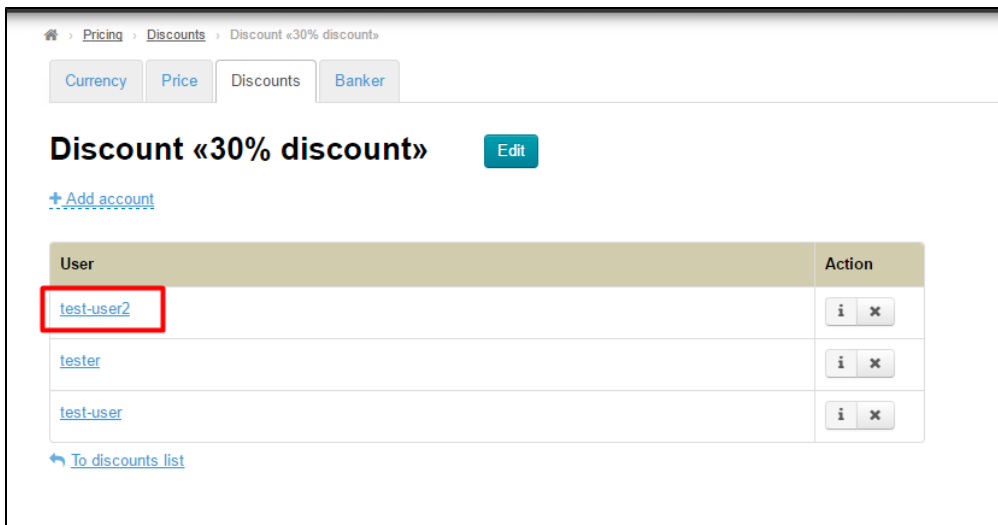

This will open a pop-up window.

Type a user login and add it to the list by clicking on the check mark button.

After that, the user will be added to the list of customers the discount is actually given to.

How to delete user

To delete user you need to click on the "Close" (X) button.
