The screenshot shows the LiteMF website homepage. The header includes the LiteMF logo and navigation links: How It Works, Shipping Rates, Support, News, Sign up (highlighted with a red box), Log in, and a US flag. The main banner features the text "Shipping from the U.S. online shops to wherever you are in the world" and three steps: "Get your shipping address in the USA" (with a "How it works" button), "Use shipping address for shopping in the US" (with a "How it saves your money" button), and "Get it shipped starting at \$9.5 per package" (with a "See shipping rates" button). Below the banner is a form to "Get your free US shipping address" with an "Enter your e-mail" input field and a "Get address" button. A note states: "By pressing «Get shipping address» I agree with [Terms of Service](#)". At the bottom, there is a graphic of a hand holding a coin and the text "0\$ You don't pay for parcels acceptance and processing".

Complete registration form:

The screenshot shows the LiteMF website homepage with a "Sign Up" modal form open. The modal has a title "Sign Up" and a close button (X). It contains an email input field with "test@test.com" entered, a checked checkbox for "I agree with the [Terms of Service](#)", and a "Sign up" button (highlighted with a red box). The background of the website is dimmed, showing the same banner and navigation as the previous screenshot.

Personal account page will open after clicking "Register" button where you should add your minimum data:
