Description

You can easily save goods that seem interesting or worth buying later to "Favorites" list. This list is available when you click "Favorites" at the top right corner of web page. Register or sign in on website if you want to use this feature.

Vendors can also be saved as favorites so you won't need to search for them next time you want to make an order. You can thus immediately navigate to desired vendor and his/her goods showcase.

Add an item to "Favorites"

There is a number of ways to add an item to "Favorites".

From product card

Go to product card and find "Add to Favorites" button right under "Add to cart". Click it.

A message appears informing that product was added to favorites.

After that, you will see a figure next to "Favorites" in website top right corner indicating number of items in "Favorites" list.

Clicking "Favorites" button at the top right corner displays all items in "Favorites" list.
