Click shopping cart to view its contents.

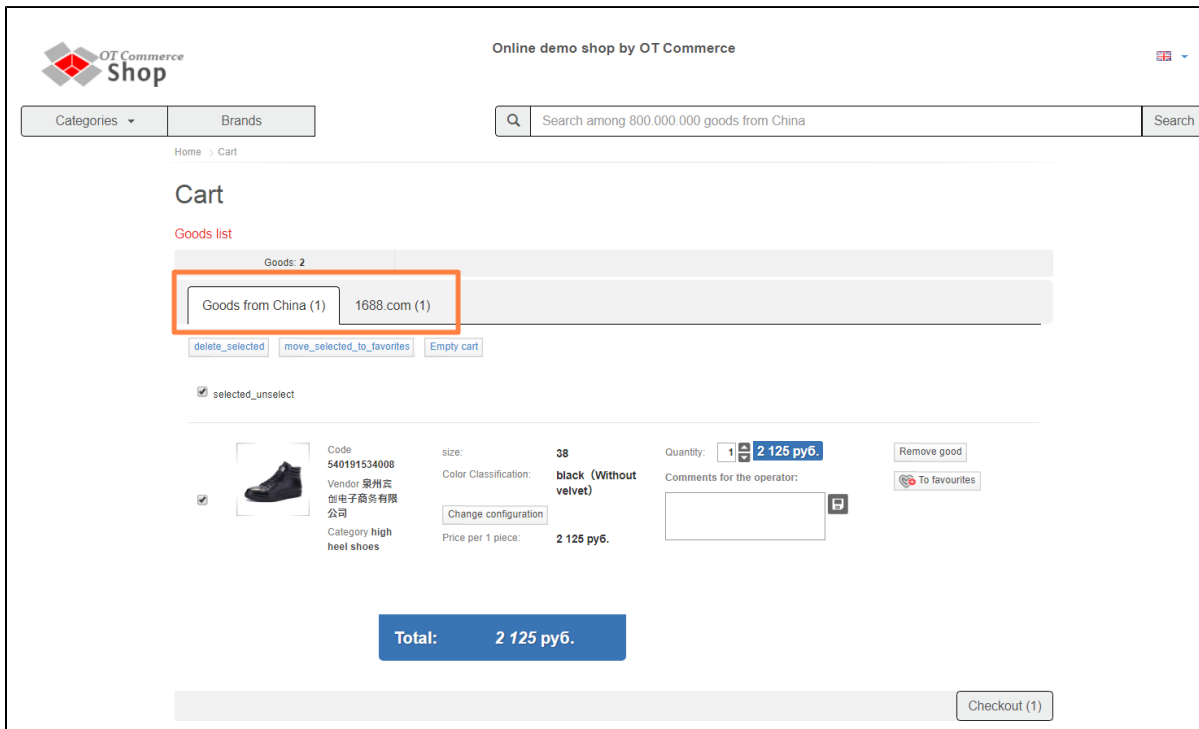

Shopping cart is a list of goods that contains product characteristics and prices.

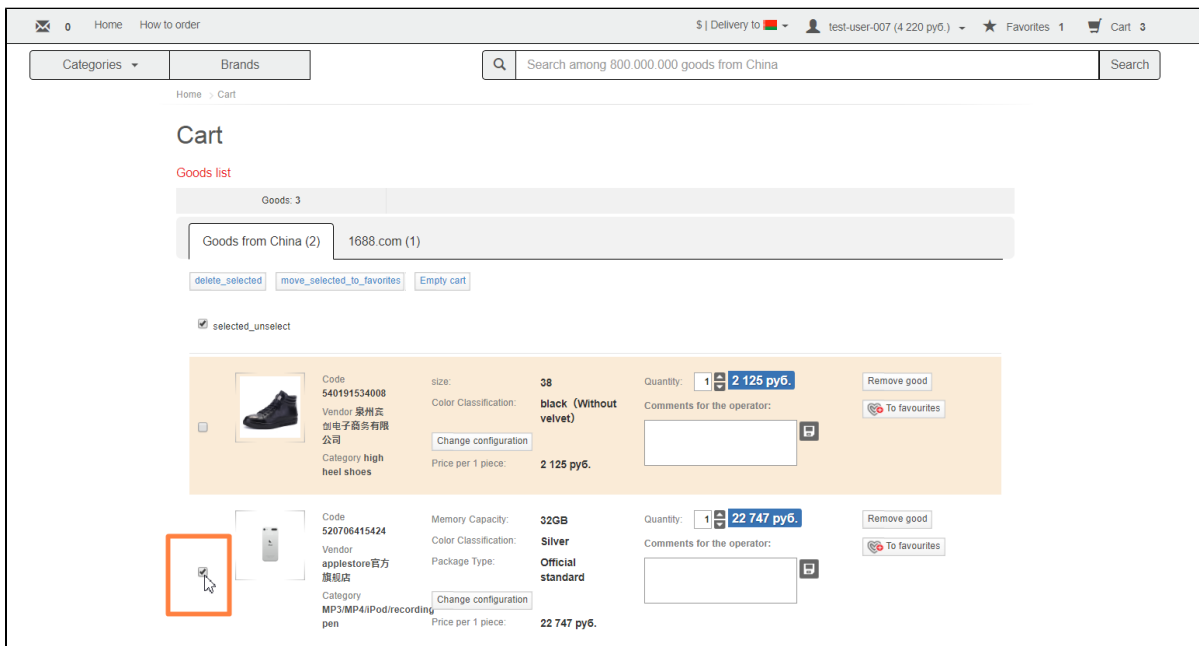

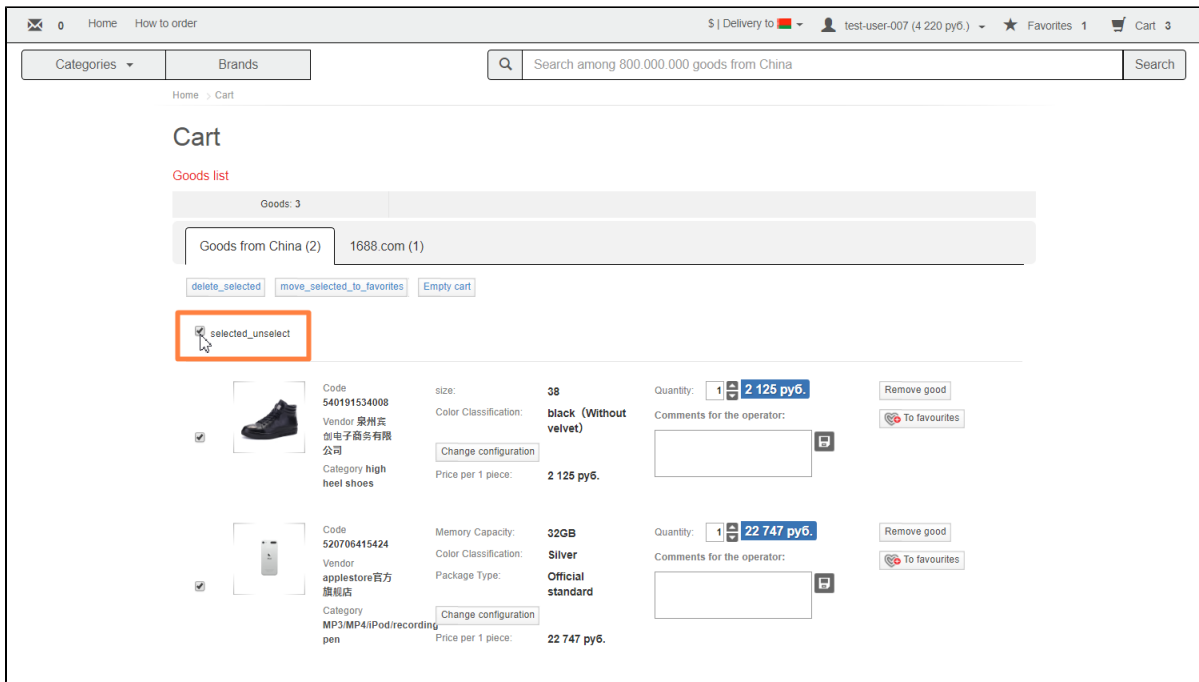

Quantity of goods shown at the top of any page can also be found on shopping cart page for convenience.

Additionally, information where product was taken is provided. In our example we have "Goods from China". Seller might have a few marketplaces such as "Goods from Japan", "1688.com" or "Goods from a seller's warehouse".

Clicking will select each item you click on. You may select all goods or each individually (as shown in images below).

How to remove goods from shopping cart

Check appropriate checkboxes (or you can select them all at once by clicking checkbox beside "Select all goods") to remove goods from shopping cart.

Besides, you may remove each item separately by clicking the "Remove good" button to the right of an item.

A confirm screen will appear asking if you are sure you want to remove the item. Once you click "Yes" the item will be removed.

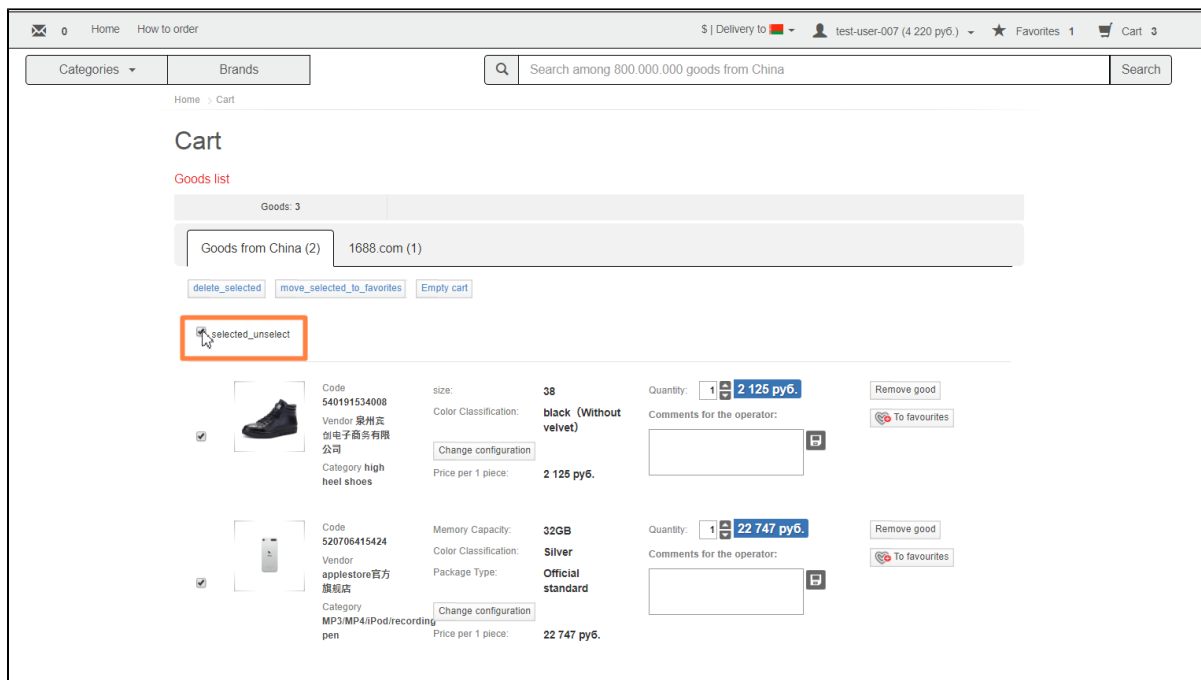

Or you can click "No" in case you changed your mind.

How to add goods to Favorites

You can save goods for later purchase in the Favorites list.

To do this, select the goods you want to save for later. Check the checkbox next to 'Select all goods'.

Or select each item separately.

Checkout (1)

Clicking on **Favorites** in the website's header will display a list of goods added to Favorites. There you can see goods moved from shopping cart.

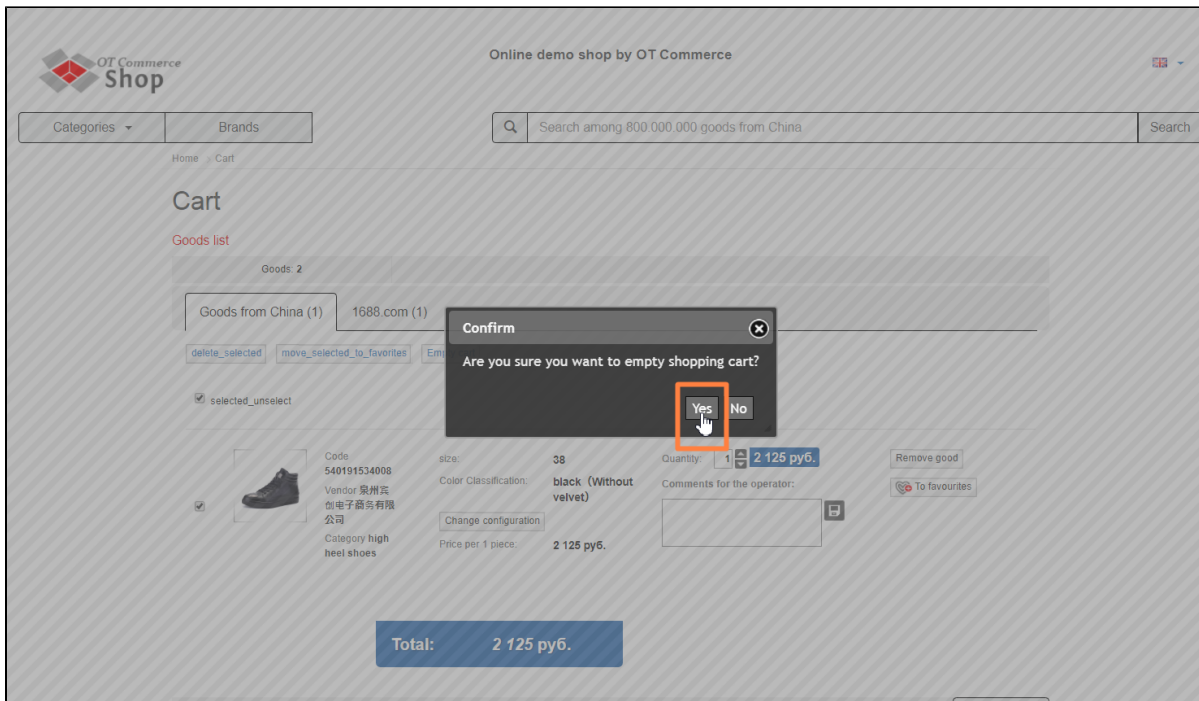

How to empty shopping cart

Click "Empty shopping cart" button to empty shopping cart.

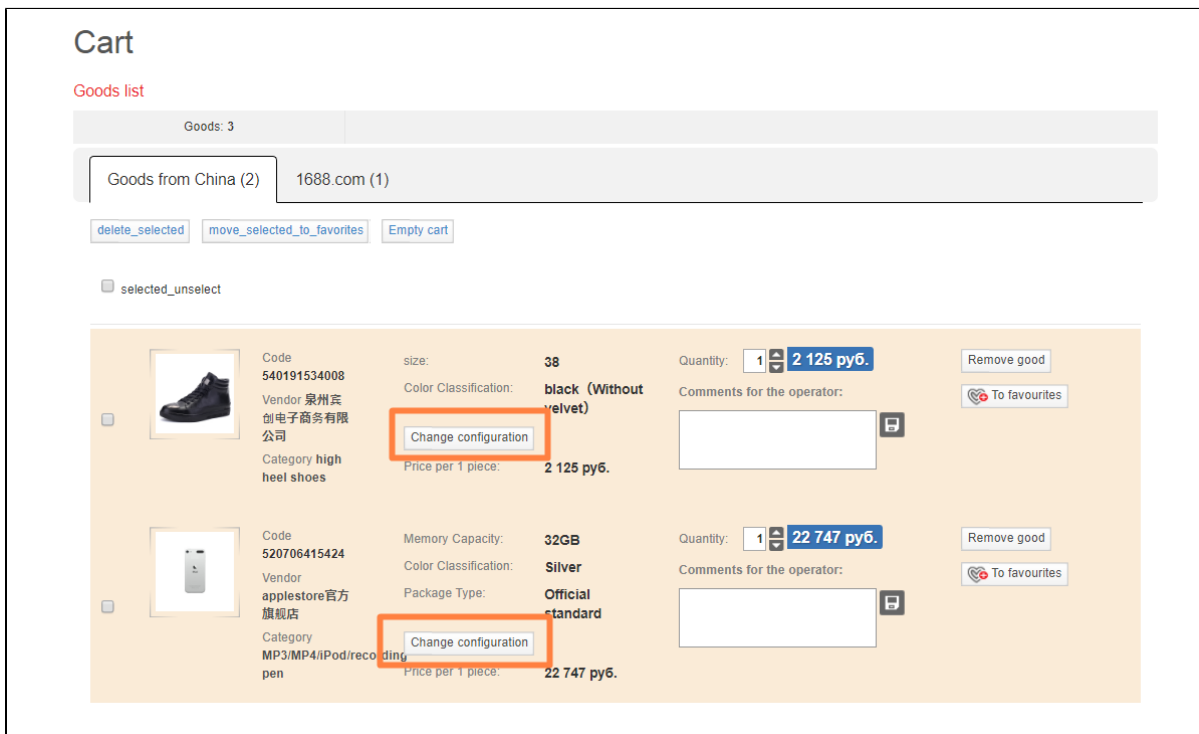

Click "Yes" to confirm that you want to delete all goods from shopping cart

How to edit item characteristics

The characteristics of each item can be edited separately. For example, you can modify size or color. You can also modify quantity of goods and so on. This can be done in item section.

Item configuration

Select item and click "Modify item configuration" button to modify item configuration (colour, size and the like):
