Description

Checkout is the main step towards buying desired goods. Customer proceeds to checkout once goods are added to shopping cart, reviewed and edited. Customer must be registered and logged in on website before beginning checkout process.

Checkout process

Review goods

Go to shopping cart by clicking "Shopping cart" at website top right corner to review goods before checkout.

The screenshot shows the OT Commerce Shop website. In the top right corner, the 'Cart' link is highlighted with a red box. Below the navigation bar, the 'Cart' header is also highlighted with a red box. The cart contains one item: 'Goods from China (2)' with a price of 108 Rp. The item details include a code, vendor, category, size, and color classification.

Code	size	Quantity	Price
521064265869	13 yards/internal length 11.5 cm 13 yards	1	108 Rp

Verify that item configuration and quantity is correct. Post a comment about goods, if necessary. Click "Checkout" after information is reviewed and you're sure you've made correct choice.

Comments

Customer can choose whether a product will be sent to him or her in its original packaging or without it (if such an opportunity is provided). Original packaging makes product more attractive but also means additional weight and bulk.

Additional payment

There are situations when customer must make additional payment (for example, there is not enough money in the account or an item became more expensive). Until the order is fully paid it won't be repurchased on Taobao.

Go to user personal account to add funds.

You can see the sum that needs to be paid and "Pay order" button on homepage (on the order list).

Deposit money into your account, if necessary and click "Pay" button.
